NOTE SHEET

Subject: Construction of Chain Link Wire mesh Fencing at Baling

Location: Trongsa

Budget Head: Buildings

Approved amount: Nu.2.0 million

Estimate Amount: Nu.1,859,122.5

Attached here the estimate for Chain link wire mesh fencing at Baling, Trongsa amounting to Nu. 1,859,122.5 (Nu. One million Eight Hundred Fifty Nine Thousand One Hundred Twenty Two and Ch. Five only) for the Fencing. The work consist of removing of old barbed wire, rusted post and constructing new gate as there is no gate at site and replace by chain link wire mesh fencing. We have to construct RRM wall to support the fencing. This is the planned activity for fiscal year 2020.

Therefore, we would like to request Regional Director to kindly get the administrative approval from the management to carry out the work via competitive bidding by uploading the E- tender in our web portal and opening to be done at Regional office.

Submitted by:
